This event is sponsored by the Collins family and dedicated to the memory of LaDonte Collins, Javier Quiroz, Moises Lopez, Darnell Smith and the many other young people who have lost their lives to senseless acts of violence! June 12 holds special significance as it is the day LaDonte was born.

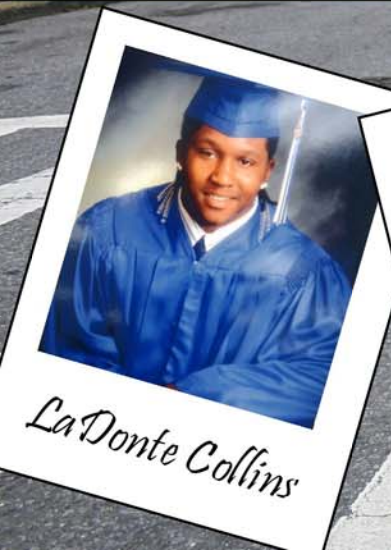

Join families for a day of taking back our communities. Families will have booths set up to share about their fallen loved ones. A march will occur from Colina Park, along University, and conclude across from the Mid City Police Station.
